QUEENSTOWN TRAILS TRUST PURCHASES ICONIC MOTATAPU EVENT

The Queenstown Trails Trust has purchased the internationally renowned Motatapu event from Iconic Adventures providing an income stream to fund future trail development in the Wakatipu.

We are delighted the Iconic Adventures directors have offered us their unqualified support and we are indebted to the trustees of the estate of Peter Wilding for providing a loan to help purchase the Motatapu.

Cycling is exploding and we consider the Motatapu has a fantastic future which will provide the Trust with yet another opportunity to showcase the region's diverse trails to both New Zealand and international competitors.

We are particularly excited to take over the high profile event to coincide with the tenth anniversary on March 8 2014 - watch this space for more information!
